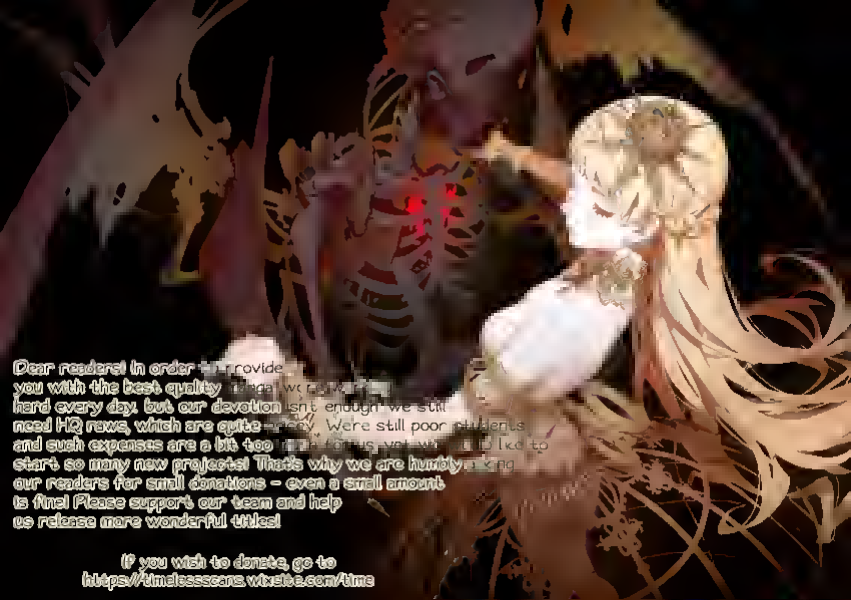
Quality Checker



Dear readers! In order to provide
you with the best quality manga we can,
hard every day, but our devotion isn't enough: we still
need HQ raws, which are quite pricey. We're still poor students
and such expenses are a bit too much for us, yet we'd like to
start so many new projects! That's why we are humbly asking
our readers for small donations - even a small amount
is fine! Please support our team and help
us release more wonderful titles!
